LOIS FRANKEL *for Congress*

Always Fighting For Us

In her first term in Congress, Lois Frankel has kept her promises to the people of South Florida by protecting Social Security, cracking down on Medicare fraud and fighting for equal pay and to raise the minimum wage.

Protecting Social Security Benefits

After decades of hard work, our seniors have earned their Social Security benefits and the economic security that comes with it. Lois is fighting any plans to cut Social Security benefits or raise the retirement age.

Cracking Down on Medicare Fraud

Lois wrote a new law that cracks down on waste, fraud and abuse in Medicare with tougher penalties on people who try to steal seniors' Medicare ID numbers, and no more contracts for companies that commit Medicare fraud.

Being Paid What You've Earned: Equal Pay

Lois will continue to fight for equal pay for equal work so that women are paid what they've earned.

Raising the Minimum Wage

Lois believes the minimum wage is far too low and she won't stop pushing for higher pay for our workers.
