## Bringing Community Colleges and Businesses Together to Help Veterans Find Jobs

Steve believes that because the men and women of our Armed Forces put their lives on the line to defend America, we have a strong moral obligation to help them and their families when they return home.

### Helping Homeless Veterans

Steve believes it's an outrage that any man or woman that served our nation could become homeless. That's why Steve is working to create the Homeless Veterans Assistance Fund, to let taxpayers donate part of their income tax return to help homeless veterans. He has also helped return nearly \$6 million in back pay and retroactive benefits to local veterans.

### Helping Returning Veterans Find Middle-Class Jobs

Steve knows the unemployment rate for veterans returning from Iraq and Afghanistan remains unacceptably high. That's why he wrote a bill to partner community colleges with local businesses to provide job training for veterans returning back home to New York.
